

From the pioneers of 900 MHz broadband wireless Internet:

Vecima WaveRider Summer Trade-up 2010 Promotion

June 21 through August 31, 2010

- ◆ Upgrade your outdated, under-performing, non-OFDM 900 MHz network with the **WaveRider LMS8000** OFDM series of Base Stations and CPE for WiMAX-like high speed, better performance and greater system capacity.
- ◆ Trade-up any number of competitor non-OFDM base stations and get 25% off the price of a new WaveRider OFDM **CCU8000** base station radio.
- ◆ Trade-up any quantity of competitor non-OFDM end user modems (CPE) and get up to 20% off new WaveRider CPE (**EUM8000/8001/8005/8012/nomadic MMT9000**).
- ◆ Ask your Value-added WaveRider distributor how you can earn **2 free 3 day Certified WaveRider Technical Training Seat Awards** when you purchase only 100 WaveRider CPEs.
